

# Call for papers

## We invite you to participate in the 4th International Conference “Topical Issues of International Political Geography” (TIPG 2022), December 23-24, 2022, St. Petersburg

**TIPG 2022** will address the main issues of contemporary political geography and international relations. The Conference provides a platform for discussion and collaboration of experts in the fields of Political Geography, Geopolitics, International Relations, International Law and other related areas of inquiry.

**TIPG 2022** invites **paper submissions** and **speakers** on **topics**: Political Geography, Human Geography, Urban Studies, Demography & Population Studies, Migration Politics, Natural Sources Politics, International Organizations and Integration, Conflicts & Security, International Law.

The conference will include **seven panels**:

**Panel 1:** Migration and socio-demographic processes;

**Panel 2:** Ideologies of regionalism and globalization in historical context. Philosophy of politics;

**Panel 3:** National Policies & International Politics;

**Panel 4:** Cultural Dimension of International Relations;

Panel 5: Geopolitics and Security;

Panel 6: Sustainable Development;

Panel 7: Discourses of Political Geography.

Announcements of the results of comparative studies are especially welcome.

**All accepted** papers will be sent to **Springer Geography** (indexed in Scopus). Before submitting the paper please read the [information for authors](#) and [Publishing Policies & Ethics](#).

**English** is the language of the conference and of all submissions.

### Registration Fee and Expenses

Standard Registration Fee	Registration Fee for Russian Participants	Registration Fee for Russian PhD students
250 Euro	15 000 Rub	8000 Rub

We will keep monitoring the evolution of COVID-19. We hope that the conference will take place in St. Petersburg on time and everyone can safely make it through this global issue.

**St. Petersburg** is one of the world's most beautiful city has all the ingredients for an unforgettable travel experience: high art, lavish architecture, an extraordinary history and rich cultural and scientific traditions. **St. Petersburg** can be easily reached via Pulkovo international airport (LED)

**St. Petersburg State Polytechnical University** was founded in 1899. Recently its name changed to the National Research University, but still is known as St. Petersburg State Polytechnical University. The university is recognized by Russian and international scholars in the field of higher education in engineering and economics and remains at the leading ranking institution in Russian higher education in engineering. The university has 30197 undergraduate and graduate students. 3056 of them are foreign citizens, representing 98 different countries (<https://english.spbstu.ru>).
